

30th May 2023

7IM Absolute Return Portfolio B4QPB02 (A ACC), BF7MD93 (B ACC) (formerly the VT Tcam Absolute Return Portfolio), 7IM Income Portfolio B9L4H24 (A INC), 3387904 (A2 INC) (formerly the VT Tcam Income Portfolio): sub funds of the 7IM Funds ICVC (formerly the VT Tcam Investment Funds ICVC) – Update on the “Terminating Funds” or “Terminating Fund”.

We advise you to read the content of this letter carefully as it is important, although no action is required from you.

We previously wrote to you on the 17th of March 2021 and 3rd of June 2021 to advise you of the Suspension and then the Partial Merger of the Terminating Funds. We then wrote to you again during 2022 advising of the first, second, and third distributions from the Terminating Funds.

As previously communicated, there is one holding left in the Terminating Funds. This remaining holding has and will continue to make distributions to the Terminating Funds through time. While the liquidator of the last remaining holding in the Terminating Funds continues to make progress in relation to realising the underlying assets, we expect this process to continue throughout 2023 and potentially beyond.

7IM continues to receive updates from the liquidator and we will continue to keep you updated on the progress of asset sales and distributions. Should a further distribution, which the liquidator does anticipate in the near term, occur we will of course issue an investor communication. In any event, we will write to you again in October 2023.

If you have any queries about the contents of this communication, please contact us on fund.suspension@7im.co.uk. You should contact your professional advisor if you have any questions regarding the potential impact of receiving any of these proceeds.

Yours sincerely,

Liz Paradine

Signed for and on behalf of Seven Investment Management LLP as ACD of the Terminating Funds.
