

CHARGES FOR THIS FUND

The charges you pay are used to pay the costs of running the fund. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry Charge	None
Exit Charge	None
Charges taken from the fund over a year	
Ongoing Charges*	1.41%
Charges taken from the fund under specific conditions	
Performance Fee	None

The entry charge shown is a maximum figure. In some cases investors may pay less. You can find out the actual charges from your financial adviser or distributor.

The ongoing charges figure is based on annualised expenses for the reporting period to 31 May 2020. This figure may vary from year to year. Where income is insufficient to pay charges the residual amount will be taken from capital. They exclude portfolio transaction costs, except in the case of an entry/exit charge paid by the fund when buying or selling units in another collective investment undertaking.

You may also be charged a dilution levy on entry to or exit from the fund.

For more information about charges, please see the prospectus, which may be obtained free of charge from the address in the 'Practical Information' below.

* For any funds undertaking securities lending, the fund will receive 70% of the revenue generated and the remaining 30% will be received by Northern Trust as the securities lending agent. As securities lending revenue sharing does not increase the costs of running the fund, this has been excluded from the ongoing charges.
