

7IM EXTENDS A WARM WELCOME TO TCAM CLIENTS: OUR JOURNEY SO FAR

SEVEN

02 OCTOBER 2018

Tcam Clients – Welcome!

We and our former Tcam colleagues are delighted to be part of 7IM and look forward to continuing to serve our clients, while using the greater resources of 7IM to progressively enhance what we do for you. The two of us have joined 7IM's Management Committee and all are enjoying working together and excited about our continuing journey.

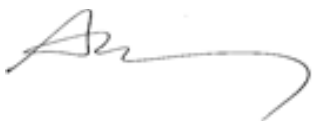

The integration of the two businesses is going very well. We have endeavoured to be in regular contact with you while we complete the transition. Your help with this process, for example in agreeing to the new 7IM Terms and Conditions, is much appreciated.

We would like to reassure you that there will be no disruption to your relationship with the former Tcam team or to your access to information online.

The 7IM website is evolving to incorporate the Tcam team and the new combined range of services that the business will offer to private clients. We aim to have the new web site pages live over the next 2 to 3 months and at that point we will take the Tcam website offline. If, after that you do go to it out of force of habit you will get an automatic redirect to the 7IM website.

As always, if you have any queries or would like to discuss anything in more detail, please call or send an email to your usual Tcam contact. If there are any points you would like to raise with either of us please let us know.

Yours sincerely,
